## Choice of Courses for S5/6 Pupils – Kyle Academy 2021-2022

1. To enhance provision for S5/6 pupils it is intended to run various courses in partnership with Ayrshire College. Please note that the timetabling of these courses is subject to appropriate arrangements being made with the College and those pupils will have to make their own travel arrangements to attend College Courses. College Courses are timetabled in Columns E and F. Applications open mid January 2021 for Ayrshire College school partnership courses, see Ayrshire College website for further details at <https://www1.ayrshire.ac.uk/schools/what-is-a-school-college-course/> If you wish to make an application please let your Guidance teacher know as help is available for you to complete the application process. If this is something you would like to discuss, please contact your child's guidance teacher via the school email address: <https://www.kyle.sayr.sch.uk/contact-us>
2. In order to ensure the most efficient use of staff, classes with uptake of below 10 pupils are unlikely to run. In such situations, we may be able to amalgamate certain courses, but in other cases, pupils may have to select an alternative subject. **In the first instance the Back Up Subject choice will be used.**
3. It is emphasised that all courses involve ongoing assessments and involve the production of individual coursework as well as externally assessed elements that our young people must be prepared for well in advance. Failure to successfully complete the assessments satisfactorily could result in young people not being presented for the final SQA external exam.
4. Under SAC Consortium Arrangements, 'Advanced Higher Courses' are available in other secondary schools in the local authority. **If there are any AH subjects you wish to take that do not appear please write the subject on your form.** Please note that every effort will be made to accommodate your AH choice however your place cannot be approved at this stage if being undertaking in another Secondary School. Places will be confirmed in **June 2021**.
5. All S6 forms must be returned for consideration by **Friday 5<sup>th</sup> March 2022**. We cannot guarantee to give the same priority consideration to forms returned after this date as to forms which are returned on time.

### Additional Guidance for Pupils

**No further subject change requests will be able to be made once you have submitted your option form to your Guidance Teacher after 05/03/21 unless in exceptional circumstances.**

### **S5 Pupils All Options forms due at the latest 26/02/21**

1. **S5 Pupils should select from all columns – 6 options with an additional back up subject identified. All young people must make a choice for each Column. If an Option form is not returned or returned incomplete the school will make a selection for you based on your latest school report.**
2. S5 Pupils should seek to maximise learning for full SQA qualifications.
3. S5 Pupils may select one SfW course across all the Columns.

### **S6 Pupils All Options forms due at the latest 05/03/21**

1. **S6 Pupils should select a total of 5 Courses.** 4 subject selections should be made from Column A-F for SQA full qualifications with 1 subject selected from the S6 Achievement Bundle area. All achievement bundles will be confirmed in June 2021.

Further information on subject pathways and all courses can be found on our school website at <https://www.kyle.sayr.sch.uk/>
